**ENTREPRENEURSHIP
AWARENESS
CAMP (EAC)**

26th – 28th September, 2018

Organized by
**RAJALAKSHMI
INSTITUTE OF TECHNOLOGY**

**Sponsored by
DST-NIAMT
Govt. of India**

**National Science of Technology
Entrepreneurship Development Board
(NSTEDB)**

ABOUT THE INSTITUTION

Rajalakshmi Institute of Technology (RIT) started in the year 2008, under the aegis of Sabari Foundation. This institute has been instrumental in establishing a distinct role in the field of quality driven engineering education. This has been possible due to the presence of leading academicians along with technology professionals of International and National repute, inducted within its governing body. The presence of senior, experienced and qualified faculty members, under the direction of the governing council has paved the way for establishing RIT as a distinct identity of the Technological Institute of Eminence. Rajalakshmi Institute of Technology is approved by All India Council for Technical Education, New Delhi and affiliated to Anna University, Chennai. The college offers four B.E degree programmes in CSE/ECE/EEE/MECH. The programmes CSE and MECH accredited by National Board of Accreditation (NBA).

ABOUT THE ENTREPRENEURSHIP CELL

The College has a Vibrant EDC Cell in which various startups have been initiated in our college campus. The college has VIPRA 3D PRINTER Start up,

In which around 6 students developed 3D printers on their own and various technical training have been given to students under this Centre. The College continuously conducts various EDC activities for creating awareness and importance to students in the Entrepreneurship field.

ABOUT THE WORKSHOP

To create awareness among faculty and students of Engineering and Science courses about various facets of entrepreneurship as an alternative career option as also to highlight the merits of pursuing such an option. Moreover, this program also aims to bring together the experts from industries, government agencies working in the field of entrepreneurship and students of Science & Technology and Humanities in order to provide a forum for the free and fruitful exchange of ideas and information for becoming an entrepreneur.

TARGET PARTICIPANTS

Science and Technology graduates/ Diploma holders or those who are pursuing their final year diploma / Degree in Engineering /Technology /Science.
